

Eau Claire Golf & Country Club – Junior Golf 2019

The focus and goal of the Eau Claire Golf & Country Club Junior Program is to provide a fun and safe learning environment while offering quality golf instruction to juniors of varying ages and skill levels. Lessons will provide an intro to the game of golf and focus on proper swing technique, etiquette, rules, sportsmanship, honesty, integrity, and most importantly FUN! Instruction will be conducted by PGA Head Golf Professional Mike Greer, Assistant Golf Professionals David Walter and Tyler Bohmke, and other Golf Staff.

The first day of the 2019 Junior Golf Program is Friday, June 14th. This will be the first of eight sessions scheduled for 2019. **Please contact the office at (715) 836-8420 to get your junior(s) signed up.**

First Session Information (Friday, June 14th)

9:00 a.m. – Registration/Check-In opens

9:30 a.m. – First session begins with an introduction of instructors, a brief overview of our Junior Golf Program, and rules and safety guidelines.

9:45 a.m. – Junior Golfers separated into different age groups and will rotate between three stations: Full-Swing, Chipping/Pitching, and Putting.

11:30 a.m. – Lunch in the Old 5th, parents are welcome to join for lunch.

The Children will be placed into their respective groups based primarily on age. If we think a young boy or girl would benefit substantially by moving to an older age division, it can be arranged.

It is important your child has equipment that fits them. This will help their development greatly. If you would like help in this area please contact Mike, David, or Tyler in the Golf Shop.
