

Swim Lessons: Summer of 2019

Eau Claire Golf and Country Club

Parent and Child Aquatics:

6 Months to 3 Years

Parents and children will learn together to increase a child's comfort level in the water while they build a foundation of basic skills that prepares them so they are ready to learn to swim. Children must be at least 6 months old to enroll and a caregiver is required to accompany each child in the water and actively participate in class.

Preschool Aquatics (Levels 1-3):

4 to 5 Years of Age

Preschool Aquatics is designed to give young children a positive, developmentally appropriate aquatic learning experience. There are no skill prerequisites for Preschool Level 1.

Learn-To-Swim (Levels 1-6):

6 Years and Older

Our Learn-to-Swim program is designed to give participants a positive aquatic learning experience and help participants achieve maximum success. There are no skill prerequisites for Level 1; however, levels 2 through 6 must be able to demonstrate the exit skills assessments of the previous level.
